

Platinum Health provides financial relief to members

because we care

PLATINUM
HEALTH

Platinum Health (PH) understands the economic hardships members have been going through this past year as result of the COVID-19 pandemic.

Members are reminded that PH is providing R15 million relief to members through its contributions increase holiday for January and February 2021, for all three scheme options.

This means members are still paying 2020 contributions in January and February 2021.

*Members will only start to pay 2021 contributions increase from **1 March 2021.***

*Platinum Health
Committed to provide affordable
healthcare to members!*
