

# FACTS WITH REGARDS TO COVID-19 (coronavirus)

## HOW TO PREVENT THE SPREAD OF THE DISEASE?

If you develop fever, cough and difficulty breathing, get medical care promptly as this may be due to a respiratory infection or other serious condition.

If possible, call in advance and tell your provider of any recent travel or contact with travelers.

## WHY?

Calling in advance will allow your health care provider to quickly direct you to the right health facility. This will also help to prevent possible spread of COVID-19 and other viruses.
