

Burgersfort Medical Centre Is getting bigger and better!

**PLATINUM
HEALTH**

As previously reported, we are adding more consulting rooms and offices to Burgersfort Medical Centre because we want to make sure that the space we use at the medical centre gives you a better experience.

The renovation process is in full force and despite our best efforts, services may be impacted for the next few days, resulting in longer waiting periods. We humbly ask that members who are able to, to rather use our clinics at Modikwa, Steelpoort, Mashishing and Jane Furse.

We apologise for any inconvenience that this may cause during this time, and we thank you for your support.
