Siyanda Bakgatla Decline

We hosted our well-known Vulindlela Wellness Campaign at Siyanda Bakgatla Decline on 14 June 2024. The key objective of the event was to build stronger relationships with our members and to offer them the opportunity to get tested for blood pressure (BP), Glucose and HIV.

Total tests completed: 482

THANK YOU to Decline management for their support and involvement which contributed to a successful Vulindlela Wellness Campaign!
