Do you know which pathology service to use?
Lancet Laboratories must be utilised exclusively!

We want you to enjoy **efficient** and **accessible pathology services** without unnecessary paperwork, time wastage and additional costs or co-payments.

Lancet Laboratories has been appointed as the **Scheme's pathology designated service provider (DSP)** to provide all pathology services – both in-and-out of hospital. Using Lancet sees members enjoy **unlimited** access to all the pathology services they need – without any co-payments.

Lancet Laboratories is one of the **leading pathology laboratories** operating throughout South Africa! Lancet Laboratories provides vital diagnostic and monitoring pathology services in 9 provinces, with more than 500 laboratories across South Africa.

Lancet Laboratories must be utilised exclusively! If you use **another** pathology provider, you will **incur costs**.

Always **inform** your general practitioner or specialist that Lancet is the **Platinum Health Medical Scheme (PHMS) DSP** and that pathology requests must be for **Lancet**. This is **important** even when you are admitted to a hospital because doctors and hospitals may choose to use another laboratory at your **expense**.

Should you have any **questions**, kindly call our Client Liaison Call Centre for assistance on 014 590 1700, or email: phclientliaison@platinumhealth.co.za
