

ALWAYS CARRY YOUR MEMBERSHIP CARD WITH YOU

PLATINUM
HEALTH

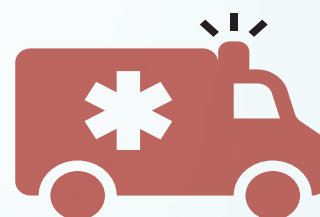

Your membership card is your gateway to appropriate care so make sure you always have it with you.

If a person is in a vehicle accident, emergency personnel look for a membership card or an ICE number on your cell phone.

If they don't find proof of medical cover the patient is taken to the nearest hospital

We therefore recommend that you and your family members save the following important numbers on your cell phone:

**Europ Assist emergency
medical response
(ambulance)
0861 746 548**

**Platinum Health medical
emergency number
082 800 8727**
