LUCKY DRAW WINNER
MR AUBREY FAKUDE
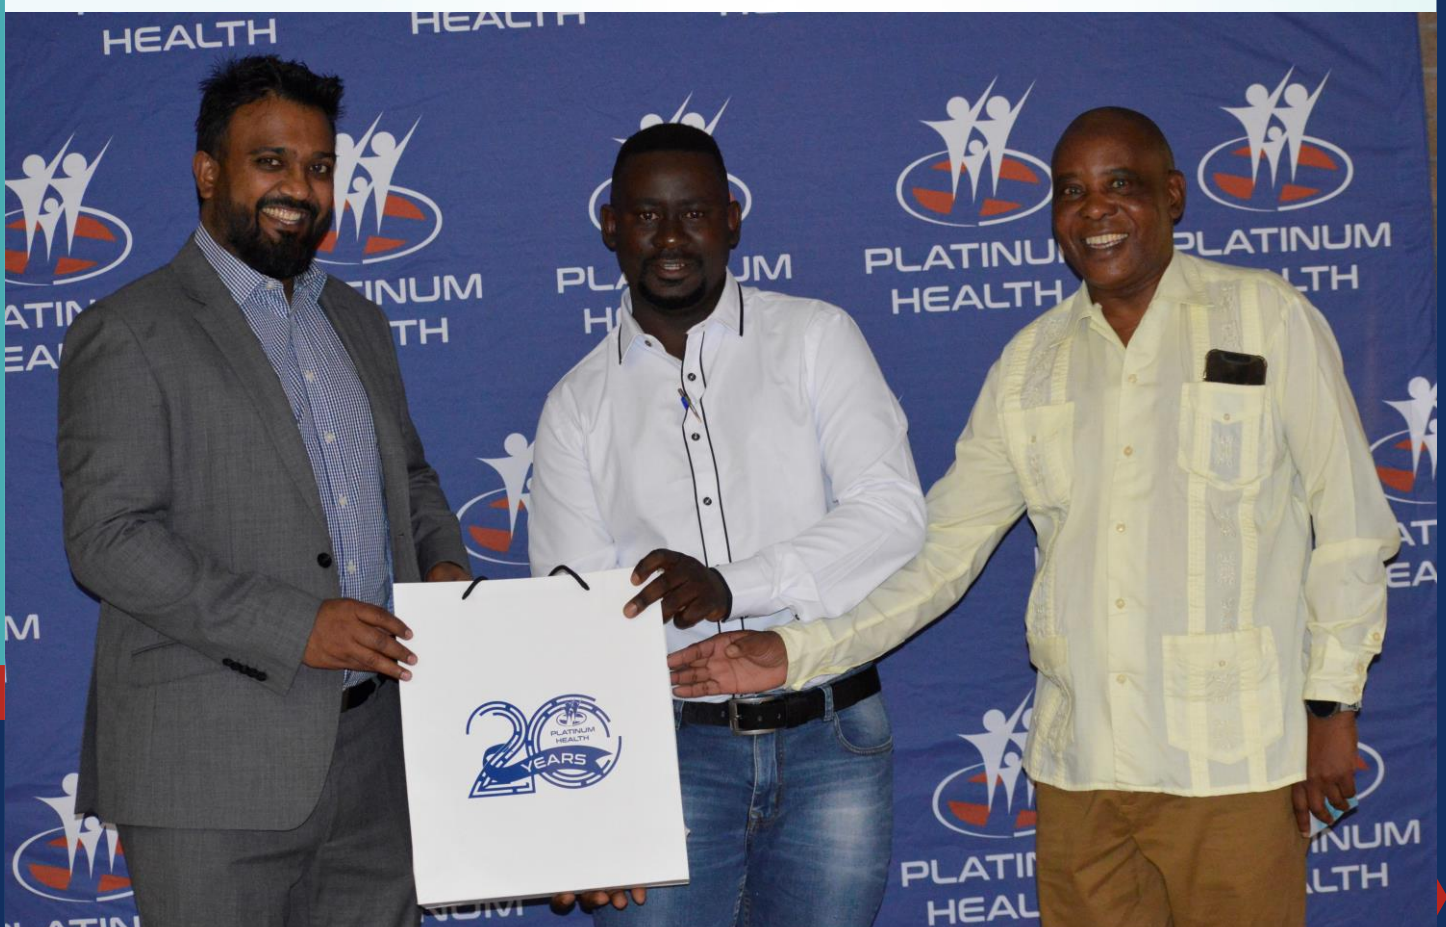

WON R10 000 FOR BEING VACCINATED!

PLATINUM HEALTH

All Platinum Health (PH) beneficiaries who were vaccinated before 28 September 2021 automatically qualified to win prizes in the lucky draw which was held on 30 September 2021.

PH is pleased to announce that Mr Aubrey Fakude won the R10 000 prize in the lucky draw. Commenting on his prize, Mr Fakude said: "At first I thought it was a scam, but great was my surprise when I realized I won R10 000! To anyone who hasn't been vaccinated, I want to say - it is important for you to be vaccinated because this will help save lives. You are important to your family and community. Stop listening to all the negativity about vaccines and focus on getting our lives back to normal. Comply with all COVID-19 measures."

PH staff are currently in the process of contacting 190 beneficiaries who each won a R1 000 so look out for a call from Platinum Health – you may have won R1 000!
