Platinum Health (PH) Management is happy to report that Dr Mmabatho Millicent Pheyaga has been appointed as General Practitioner (GP) at the newly established Medical Centre in Brits. Many members may know Dr Pheyaga as she previously served as locum GP at PH's Moruleng Clinic.

Looking back over Dr Pheyaga's career, she has significant experience in the medical field and we're confident that she will add value to the medical team at Brits. Dr Pheyaga served as Medical Officer at the Westvaal Hospital in Orkney and she also served as GP at Alafa Health Private Practice. Prior to joining PH, Dr Pheyaga served as locum Doctor at Sibanye Stillwater's Karee Clinic.

Dr Pheyaga has a passion for providing quality medical care to her patients.

Commenting on her new position, Dr Pheyaga said: "I am delighted to be part of the Platinum Health team! I am proud to work for a company that clearly believes in providing accessible healthcare to its members. My agenda continues to serve Batho Pele..!"
